.....

Education:

→Damietta University

* Degree: Bachelor of Arts

* Major: GIS, Land Surveying and Planning

* Duration: 2020–2023

.....

Key Skills:

* Spatial Analysis

* GIS Data Processing

* Remote Sensing Interpretation

- * Cartographic Design & Map Production
- * Georeferencing & Digitizing
- * Data Visualization
- * Web GIS (ArcGIS Online)
- * Thematic Mapping

.....

Technical Skills:

- * GIS Software: ArcGIS Desktop, ArcGIS Pro, ArcGIS Online, QGIS
- * Remote Sensing: ENVI
- * CAD Software: AutoCAD, CityEngine
- * Other Tools: Google Earth Pro, MS Office (Word, Excel, PowerPoint)

.....

Soft Skills:

- * Teamwork
- * Problem-Solving
- * Adaptability
- * Attention to Detail
- * Fast Learning

.....

Experience:

→ESRI MOOCs:

- * Imagery In Action
- * GIS For Climate Action
- * Make an Impact with Modern Geo Apps

→Volunteer Work – YLY

* Social Media Team Member

.....

Graduation Project:

Transforming the Distinguished Neighborhood into a Smart Neighborhood in New Damietta City Using GIS

- * Utilized GIS and urban planning tools to design a sustainable, smart neighborhood concept.
- * Performed spatial analysis and produced high-quality maps to support planning decisions.
- * Applied geospatial techniques to improve efficiency, connectivity, and land use planning.
